REFUND REQUEST

Sir:

When we filed this application on April 10, 2006, we understood that the applicant was a small entity, so we paid the small entity filing fees \$450. We have just learned that the applicant is in fact a large entity and are submitting the large entity filing fees (\$900), extra claims fees (\$1150) and late declaration surcharge (\$130) electronically today.

Therefore, we request a refund in the amount of \$450 for the small entity fee we paid originally be credited to our deposit account 19-2110.

Respectfully submitted,

/Charles Fallow/
